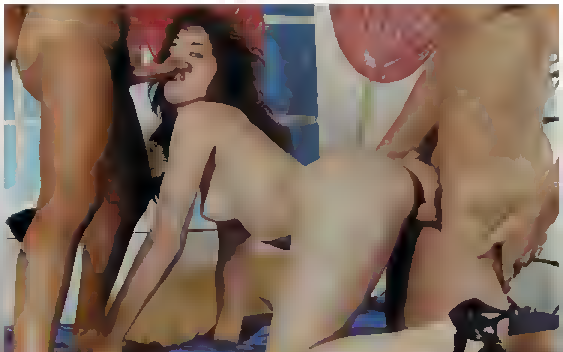
FUCK FOR DOUBLE LUCK



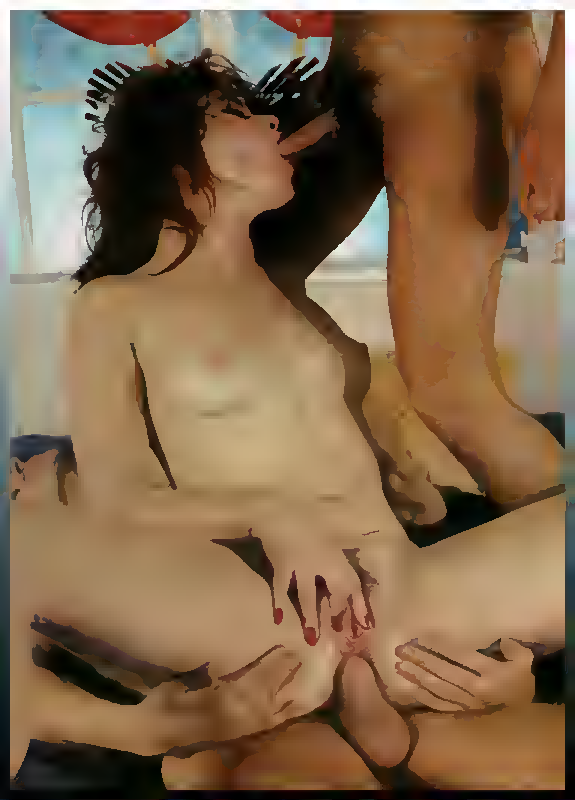
„Machen Sie mal, stoßen Sie zu meine Herren!" denkt die schwanzbesessene Silke. „Alles geht noch, machen Sie Ihren Einsatz!" Dabei hat es die süße, vögelfreie Kleine nur auf eine riesenporn Ration Eichhörnchen abgesehen.

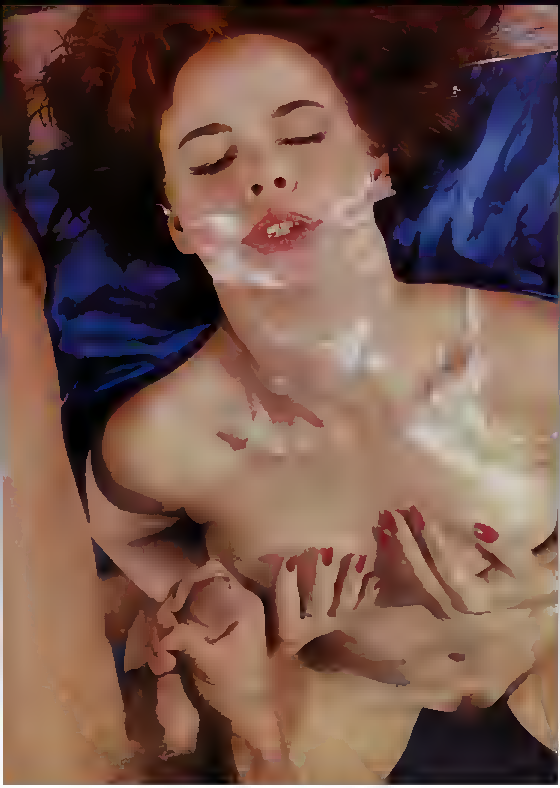
„Doe niet stout toe, mijne heren!" denkt de pikgeile Silke. „Alles kan nog zet maar in. En daarbij heeft de knappe deukgrage Kleine meld i alleen maar op een grote portie balcollega voorzien.

De må gerne deltage bare skal vi mine herrer! Tænker den pikgrie Silke. V ikke igen, gør Deres indsats! Den søde kneppegalde lille dulle er kun ude efter en stor portion sædcreme.

"Come on, lads, have a go thrust forward!" thinks prick-crazy Silke. "Everything good! Lay your shekels!" Here our sweet little fucker was banking on a giant portion of fresh cream, direct from the buttocks.

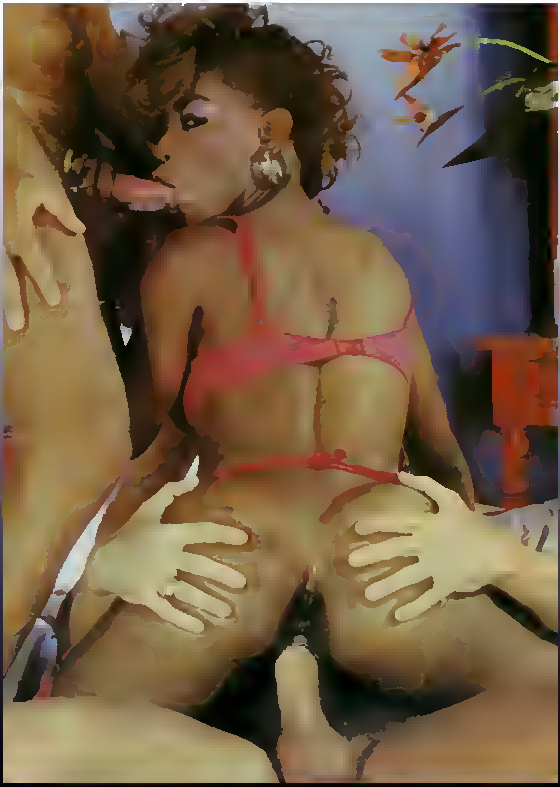
« Par ici, Messieurs, venez faire un coup ! » se dit la petite Silke qui est folle de queues de toutes tailles. « Tout est encore ouvert, faites vos jeux ! » Mais la mignonne petite baiseuse n'a en tête qu'une grosse portion de jus de couilles.

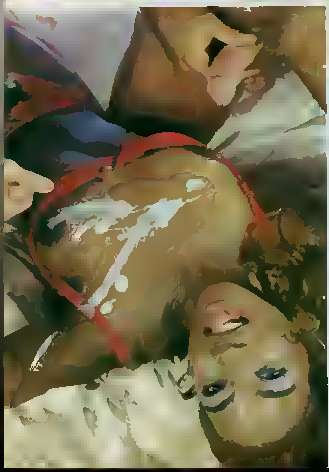




THE (S)EXPLORER TEAM

. . . wild, willing and powerful





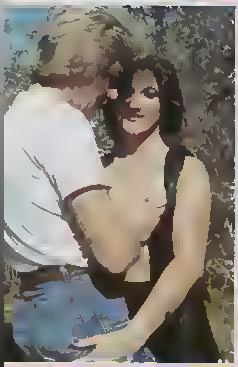
In dromen kan ik nooit wilder zijn dan in mijn wilde leven – helemaal als twee wilde prinsen me in m'n bed en m'n hut neuken. Wij zwarte meisjes lokken ze zo'n graag met hete gaten naar ons toe

Det kan ikke gå mere vild til i mine drømme end i det vrideste liv sammen vår to harde pikke kneppet mig i røv og fisse. Vi sorte piger lokker nemlig så fjerdet gerne med lir huller

Things can't get any wilder in my dreams than they are in my filthy life – especially when two white studs are fucking me up in my arse and cunt at the same time. We black girls love to seduce using our hairy holes

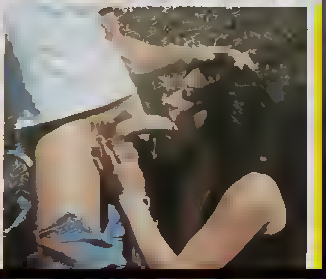
Les rêves les plus fous ne peuvent jamais être plus sauvages que ma vie de salope – surtout quand deux grosses bites blanches me baisent dans le cul et la chatte. Nous, les petites Noires, on aime bien attirer les mecs avec nos trous

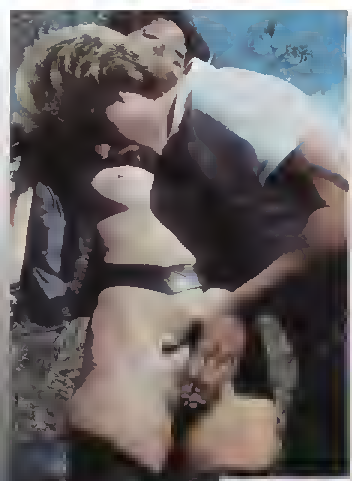
PLAY MATE OF THE DAY



Frank hatte mir schon in der Disco gefallen. Und ich hatte Bock auf einen Fick im Grünen. Nichts konnte uns halten.

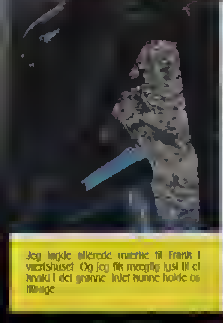
In wenn Frank in die Kneipe ging, ließ ich das Auto an und wartete in der Bullenhitze. Nichts konnte uns aufhalten.



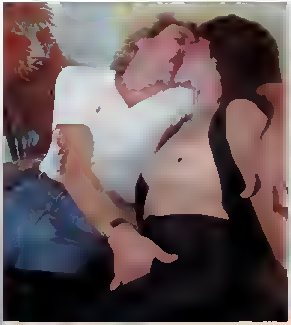


I had already walked now affrai ive Frank was while we were in the park. I hurdles an earth air back. Nothing could hold us back.

Frank n avait déjà pas au instinct. Il J'avais une forte envie de baiser en plein air. Rien ne pouvait plus nous retenir



Jeg hadde allerede merkte til Frank i vertshuset. Og jeg ble mopplig lyst til ci ha ukt i det grønne. Intet kunne holde os tilbage

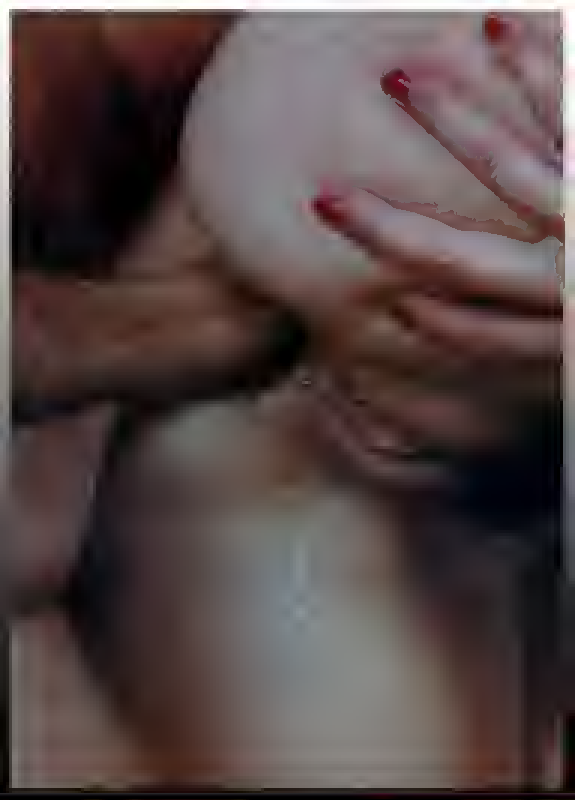


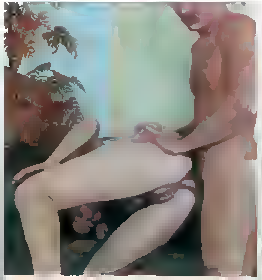
LUCKY LINDA-LOU

Was Frank nicht ahnen konnte: Während er mich am Busen der Natur durchvögelte, juckte nicht bloß meine Möse. Mein enges Poloch wollte ebenfalls tüchtig gestopft werden. Also zog ich mit dem Jungen in meine Bude und machte ihm flüssig, was ich sonst noch wollte

What Frank couldn't know, as he was looking for clothes in Father Nathan's closet, was that my soul was in the body which was twitching. My narrow psychic was only to be a filling. So we went to my flat where I would be least what else I wanted him to do.

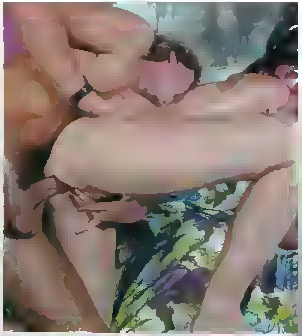
Que Frank ne savait pas en cherchant des vêtements dans le placard du père Nathan, c'est que mon âme était dans le corps qui se tortillait. Mon psychisme étroit ne devait être qu'un remplissage. Nous sommes donc allés chez moi où je voulais qu'il me fasse ce que bon lui semblait.

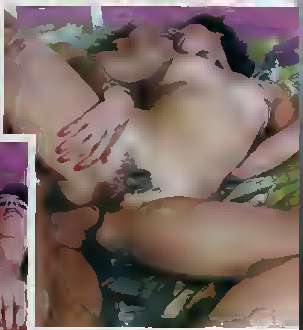


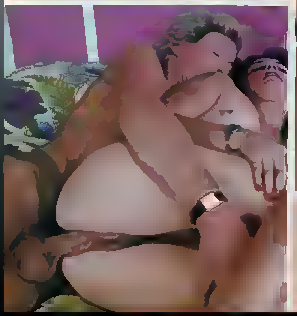


Ich konnte kaum genug bekommen von der Brutale die sich in meinen Arsch bohrte. Jeden Zentimeter mehr genoß ich. Bin ich vielleicht etwas pervers? Ach was, ich bin hemmungslos geil bis in die letzte Faser meiner Muskeln

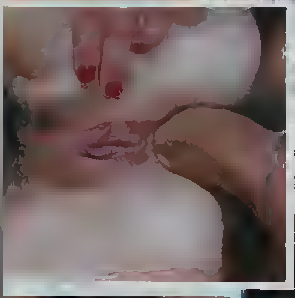
Ik kon haast niet genoeg krijgen van de meiboede die zich in mijn anus boorde. Ik genoot van iedere centimeter meer. Zou ik masochistisch een beetje perverse zijn? Ach wat. Ik ben vreselijk geil tot in de toppen van mijn zenuwen

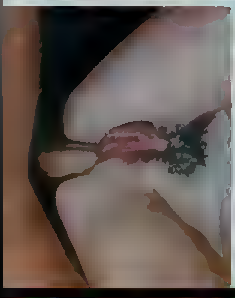


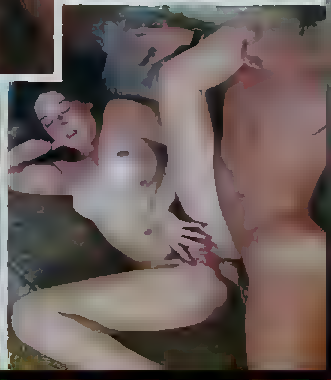


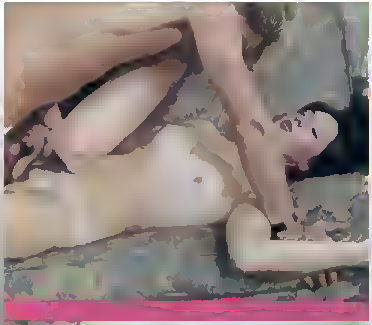


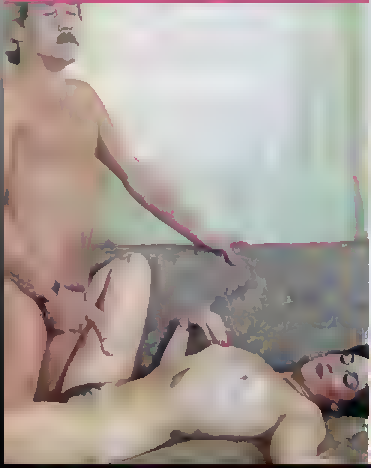
Jeg kunne næsten ikke få nok af den måde han borede sig gennem min røv. Jeg nød hver eneste centimeter af jeg måske lidt perverst? Åh hvad jeg er bare hemningsløs helerlig til de sidste fiser af mine muskler











Ich fühlte, daß Frank gleich seine Ejakulation abgeben würde. In die Augenblicken se Nefti immer kürzer-Serie von Höhepunkten durch mich. Es machte mich unwahrscheinlich scharf, schon jetzt daran zu denken, welchen verrückten Kommandos ich mich morgen mit Absolut Hand Grill Feste vermischen und verwöhnen würde.

Ik wist dat Frank nu gauw zijn orgasmen ging afspuiten. Op die momenten schiet er altijd een hele vloed kwakgeuren door me heen. Ik dacht me onwaarschijnlijk geil er nu al aan te denken welke verkeerde dingen ik morgen met mijn mes en vork kon verkeren en verwennen.

Ik kände att Frank snart skulle ejakulera. Under dessa ögonblick skickar han en serie av orgasmer genom mig. Det gör mig extremt kåt på att tänka på vilka perverterade saker jag vill hitta på med min mun och min kniv imorgon – allt i Absolut Hand Grill Feste.

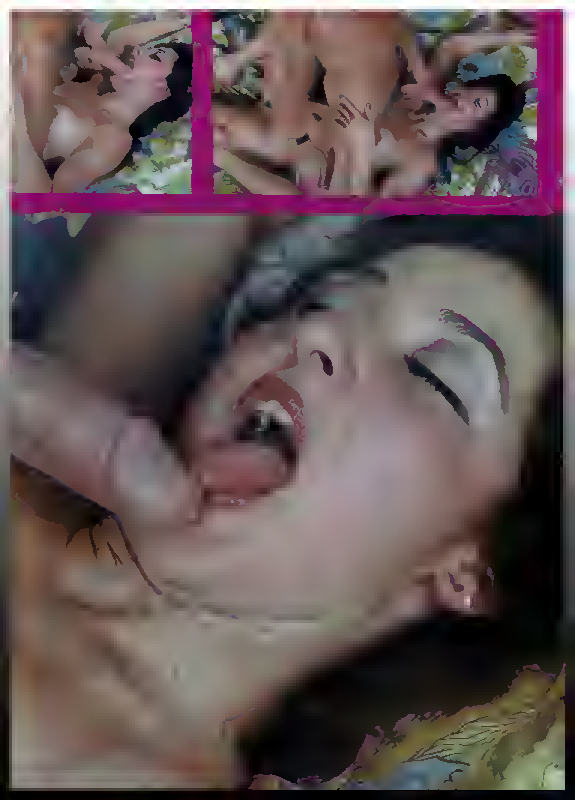
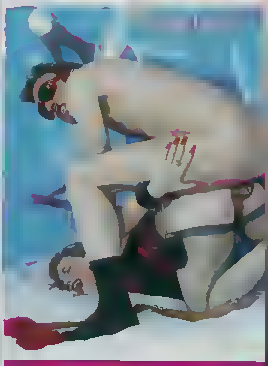
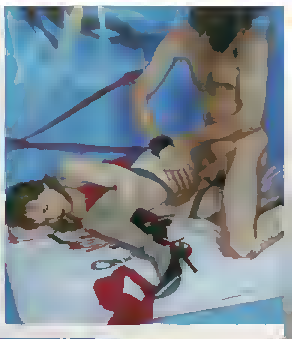
I felt that Frank was just about to shoot his load of thick creamy sperm. This is always the moment where a series of throbbing climaxes surge through my body. I was incredibly getting worked up thinking about which well-trained hammer I would be nibbling with my mouth or mangling with my knife and fork tomorrow.



Stop in the name of love





Hélène: „Als een schitterende spermaspuit me in mijn lustgaten zaait, kloot ik volledig en compleet op. Voor vandaag heb ik de dienstplicht zat en wil ik mijn normale leven weer leiden."

Hélène: Når jeg har sæden en uskyldig sædsprøjte oppe i min fisse er jeg helt ør. Jeg gør nu tjeneste for en sæd-stud mellem mine lår.

Hélène: «Quand une de ces queues d'éjecte une défonce par tous les trous, je prends mon pied et j'explose. Je donnerai ma vie et je quitte pour [illegible] mâle.
